

# ISI MINISTRY REPRESENTATIVE UPDATE

Please help us stay connected with you!

## Dear ISI Ministry Representative,

As we turn the pages on the calendar and students begin a new term, we are so thankful for the role that you play in reaching out to international students in your area. Truly our staff could not alone reach the many international students on campuses across the globe without each of you and the valuable contribution you make as a part of ISI's team.

We look forward to hearing about your ministry with internationals and your significant role as a part of the local ISI ministry during the prior six months (July -December 2017). We are asking for just a few pieces of information to help us as we share with others the critical multiplier Ministry Reps provide in fulfilling in ISI's ministry to international students to the glory of our Savior!

**Allow me to say thanks to those of you who have been submitting narrative reports and statistics to us regularly. If you are one of those folks and have submitted your report for this period already please accept our profound thanks and you may disregard this request. If you have submitted only one of these updates to us regularly please submit the narrative report or statistics that you have yet to provide. (If you submit your statistics through an ISI staff member or team leader who reports them to ISI for you then you can disregard the request for the statistical data requested though we will still need your narrative report.)**

However, for those of you who have yet to submit your reports for July to December 2016, we want to make it as easy as possible for you to let us know about your ministry by responding to the questions on the link below. [Ministry Representatives are not expected to submit reports as frequently as our staff, so we only ask for you to give us information on your ministry twice annually.]

If you have questions regarding the link below, please feel free to contact [Julie Collard](#).

Upon your submission, we will forward a copy of the completed report to your local supervisor and Regional Field Director. **Please complete this action by January 10, 2018.**

Again, thank you for your key partnership with ISI. We appreciate your commitment and love for international students and are grateful for all you do within ISI's local ministries.

Blessings,

Alex Tovar  
Director of Operations

### Narrative Reports

Please respond to the brief questions [here](#).  
The password is *minops2013*.

You can also upload prayer letters and newsletters on the link above.

#### Directors:

Western Regional Field Director, [Simon Zeigler](#)
