

Su iglesia puede
participar en la misión
global estratégica de
Dios sin salir su
comunidad local.

Your church can participate in God's Strategic
Global Mission without leaving its local community

- ISI will help your church members meet international students, many of whom are from unreached people groups.
- ISI will train your church members in fruitful cross-cultural communication/witness/discipleship.
- ISI will help your church be a welcoming space for internationals.
- ISI will help your church meet its global missions goal without passports or visas.

AND IT IS FREE!
